COST Action FA0801 Critical success factors for fish larval production in European Aquaculture: a multidisciplinary network

Opportunity: Call extension for LarvaNet STSM !

The COST network "LarvaNet" is pleased to announce the extension of the 6th call for STSM applications. We encourage all potential applicants to consider the objectives of LarvaNet and to apply according to the STSM Guidelines.

(further details: www.larvanet.org/STSM.php) or contact the LarvaNet STSM-Chair B. Ueberschaer (bueberschaer@ifm-geomar.de). Deadline for submitting applications: 31th October 2011 . Missions which are approved for funding in this call have to be accomplished within the period from the 1st to the 31st of December 2010.
